Clubhouse Fundraising Appeal Letter

Dear exco members, members, and students,

It has been more than 10 years since the founding of our Association in 2006. The number of students has been increasing over the years, thus more people have reaped the benefits of Laoliulu Taijiquan. In June 2014, our Honorary President Mr. Goh Peng Boo generously allowed the Association to borrow his shophouse unit in Mahkota Cheras as our very first clubhouse. Since then, our development has been growing rapidly. We are able to better contribute to the community and to our students via various networking activities, taijiquan classes, and public lectures, by providing more opportunities for the participants to interact and to learn. The clubhouse played a vital role in fostering the development of Laoliulu Taijiquan.

However, we cannot borrow the clubhouse indefinitely. In the event it is no longer available, it will hinder the operations of the Association. The clubhouse is the central place for students to learn and fine tune Taijiquan martial arts theories and movements, for exco members to conduct meetings, and for members to host and attend social events, all to promote the development of Laoliulu Taijiquan in Malaysia. We strongly believe that owning a clubhouse is instrumental to propel Laoliulu Taijiquan to greater height of development.

The clubhouse is our home, join us and be part of our fundraising efforts. Your contributions will be crucial in bringing us closer to owning our own clubhouse for the furtherance of the Association's influence in Malaysia. Let's strive together towards our next milestone. We hope to achieve our fundraising target of RM400,000. As a gesture to kickstart the clubhouse fundraising exercise, I have committed to pledge RM30,000 to the Clubhouse Fund.

I sincerely hope that you can give us your support. Thanks!
